

**Petrol Vouchers - Request Form**

A Petrol Voucher, valued at \$25 per person, will be available to those participants who decide to arrange their own transport during the 12th Australian Transplant Games.

This voucher is available to both adults and juniors that have been registered for the games. To qualify for this incentive, you must agree to transfer those in your group, for which vouchers have been issued, to and from all sporting and social venues.

However, complimentary Games transport will be provided for everyone, staying at accommodation booked through the Games Office, to attend the Opening Ceremony on Sunday 3rd October and for the Gala Dinner on Saturday 9th October.

Note: Only those who have Registration Tags with the Coach Symbol on it, will be able to use the Games Transport services on the other days as well.
